

Program Report: GK Marathon

Event Title: GK Marathon

Collaborator: TPR Foundation

Date: 10 January 2023

Location: New Friends Colony

- Introduction

The GK Marathon, organized in collaboration with TPR Foundation, was an engaging event designed to enhance general knowledge among students aged 10 to 16. The marathon aimed to create an interactive platform where young participants could test their knowledge, learn new facts, and develop a keen interest in various subjects.

Objectives

1. To promote general knowledge among students in the age group of 10 to 16.
2. To encourage healthy competition and participation in educational activities.
3. To provide a platform for students to engage with their peers in a fun and informative setting.
4. To enhance critical thinking and analytical skills through quiz-based challenges.

Participation

The GK Marathon successfully attracted 50 enthusiastic participants from various backgrounds. The age group of 10 to 16 was specifically targeted to ensure that the content was relevant and engaging for the students. Participants were divided into teams, fostering collaboration and teamwork.

Key Activities

1. Quiz Sessions:

- The event consisted of multiple rounds of quiz sessions covering a wide range of topics, including history, geography, science, current affairs, and more.
- Each round was designed to challenge the students and encourage them to think critically about the questions posed.

2. Interactive Learning:

- Alongside the quiz rounds, interactive learning sessions were conducted, where participants could discuss answers, share insights, and learn from one another.
- Experts and volunteers from TPR Foundation facilitated these discussions, providing valuable feedback and additional information.

3. Prizes and Recognition:

- To motivate participants, prizes were awarded to the top performers, recognizing their efforts and achievements in the marathon.
- All participants received certificates of participation to acknowledge their involvement and encourage continued learning.

Impact

1. Enhanced Knowledge:

- Participants reported an increase in their general knowledge and awareness of various subjects as a result of their participation in the marathon.

2. Skill Development:

- The event helped enhance critical thinking, teamwork, and communication skills among participants, preparing them for future academic challenges.

3. Community Engagement:

- The marathon fostered a sense of community among participants, encouraging them to engage with peers who share similar interests in learning and knowledge.

Conclusion

The GK Marathon, organized in collaboration with TPR Foundation, was a successful initiative that provided students with an opportunity to expand their general knowledge in a fun and competitive environment. The active participation of 50 students highlighted the effectiveness of the event in fostering a love for learning.

Moving forward, the success of this marathon opens doors for more such initiatives aimed at promoting education and encouraging young minds to pursue knowledge actively. Continued collaboration with organizations like TPR Foundation will be essential in sustaining and expanding these educational activities.
